My Own Part Numbers

Here you can upload a file containing a list of your own part numbers.
Your file will contain the following information:

- Your Part number
- Bendix Part number

To use this feature - click on **Download My Own Part Numbers**, enter your part number with the equivalent Bendix part number in the columns indicated on the file, click on the checkbox for the locations to apply your file to, then click on **Upload My Own Part Numbers**.

Use the same file to add, change, or delete your own part number information. The next time you download the file it will contain all saved information.

Search a Customer ID, Company Name

0001
