Order Import Template

Order Import

Here you can upload a file containing a list of all part numbers you want to order. The list will be used to automatically update your Shopping Cart.

To use this feature - Select your order type, click on [Download Order Template](#), enter your information on the file, and click on [Upload Order Template](#)

- Must be a saleable Bendix part number
- Quantity
- Requested delivery date (format MM/DD/YYYY)

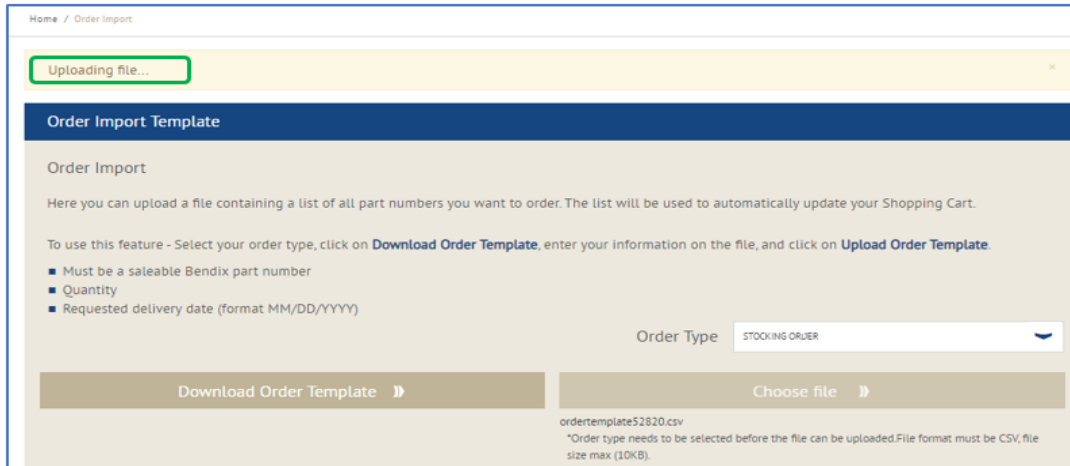

Order Type: STOCKING ORDER

[Download Order Template](#) [Choose file](#)

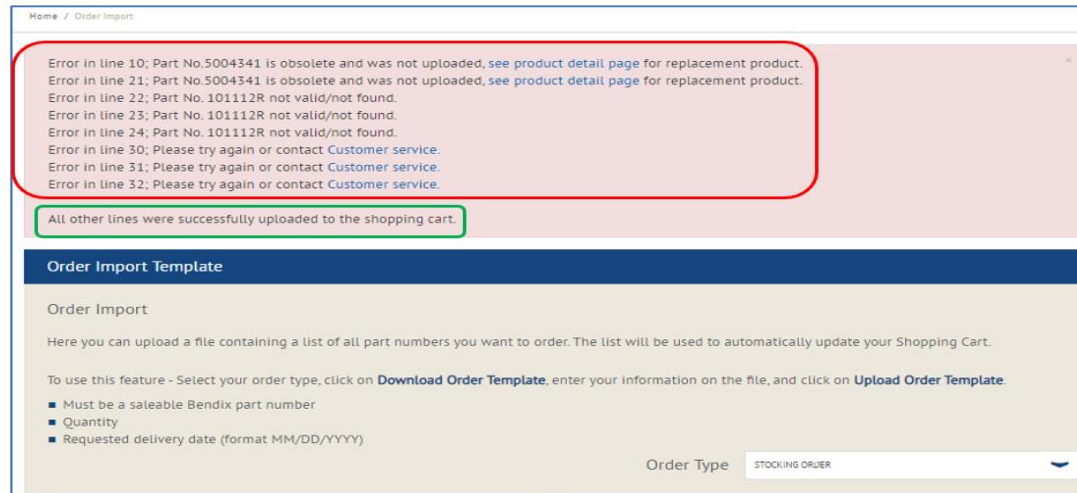

*Order type needs to be selected before the file can be uploaded. File format must be CSV, file size max (10KB).

- Once you open the file:
- Fill in **Knorr-Bremse Part Number/Customer Part Number***, **Quantity*** and Requested Delivery Date (MM/DD/YYYY) in the file. (**items are mandatory*)
- Save the file to your desktop or network drive.
- Select the **Order Type** from the dropdown options of Stock Order, VOR Order or collection before you go to Cart.
- Click on 'Choose File' button and select the file you just saved, once you select the file the import will begin.

How to use the Import Order Template 4/7

- Upload progress can be viewed.

- If there are errors in some part numbers or some are repeated you can see an error message appear at the top of the page as shown.
- All correctly formatted part numbers will be successfully uploaded in the shopping cart.
