

## 31. How to search for products 1/8

The screenshot shows the top navigation bar of the Knorr-Bremse website. On the right side, there are links for 'SIGN IN' (highlighted with a green box), 'REGISTER', a location pin icon, 'DE | EN', and a German flag. Below this is the 'TRUCKSERVICES' logo and a search bar with the placeholder text 'Enter a part number, type number, title or document details' and a magnifying glass icon. A horizontal navigation menu below the search bar contains the following items: 'SPECIAL & AUXILIARY TOOLS', 'DOWNLOADS', 'SERVICE & SUPPORT', 'EXPERT NETWORK', 'FAQ', and 'TRAINING'.

- Log in to the webshop to use all features of the product search
- You can search for a part number, type number or a product title. If you want to search documents, software or training, you can also enter details here.

## 31. How to search for products - cross reference 6/8

The screenshot shows a search results page for the query "k002". The top navigation bar includes tabs for "Product (292)", "Cross Reference (2)", "Documents (0)", "Software (0)", and "Trainings (0)". The "Cross Reference (2)" tab is selected and highlighted with a green box. Below the navigation, the search results are displayed in a grid view. The first result is for "SK2601/1", a "General Service Kit" that is "Saleable to the IAM". The product details include the IAM part number "SK2601/1", a list price, net price, and core charge. A green arrow points from the "Cross-Ref: BWSK002601/1" text to the "Add to Cart" button. The "Add to Cart" button is highlighted with a green box. The "Check Availability" button is also visible. The search results are sorted by "Part Number Asc" and show 2 items found.
