

How to set up user rights during registration 1/2

The screenshot shows the MyTruckServices website interface. At the top right, the 'MY ACCOUNT' link is highlighted with a green box. Below the navigation bar, the 'Registration Requests' form is displayed. The form includes fields for Company Email Address, Title, First Name, Last Name, Company Name, Address, State, Country, Phone Number, Fax Number, and Website Address. There are also checkboxes for 'Requesting Access for' (Order On-Line, Submit Warranty Claims, Core Reports) and 'Industry Role' (Distributor, Dealer, Fleet, OEM). A dropdown menu for 'Select Customer ID to be linked with this new user account' is visible. At the bottom of the form, the 'Set User Rights' button is highlighted with a green box.

- Visit www.mytruckservices.knorr-bremse.com and sign into your account → **My Company Account > Users > Company Users** – the Customer Admin looks at the users to be reviewed and clicks on each name to edit their status or information
- Customer Admin checks whether the 'Linked Customer ID... ' is linked to the correct customer ID & associated addresses / delivery locations
- Administrator can delete the user or lock their account. Locked accounts can be unlocked in the future
- Admins can 'Approve' or 'Decline' the registration request
- Admins can Set User Rights and choose the access: General, Online Ordering, Additional, Warranty, Core, and Customer Admin Rights

How to set up user rights during registration 2/2

The screenshot shows a dialog box titled "Set User Rights" with a close button (X) in the top right corner. The dialog is organized into several sections, each with a set of checkboxes:

- General Rights**
