

How to search for a repair kit 1/2

The screenshot shows the TRUCKSERVICES website interface. At the top, there is a search bar with the placeholder text "Enter a part number, type number, title or document details" and a magnifying glass icon. To the right of the search bar are icons for "QUICK ORDER" and a shopping cart. Below the search bar is a navigation menu with the following items: SPECIAL & AUXILIARY TOOLS, DOWNLOADS, TRAINING, SERVICE & SUPPORT, EXPERT NETWORK, and FAQ.

The main content area is divided into several sections. On the left, there are filter panels for "Description" (with a dropdown arrow), "Type No" (with a dropdown arrow), "Angle of Actuator centre line to axis of axle [deg.]", "Brake type", "Fixed Bearing Cover", "Has opposite handed version", "Title Extension", and "To suit wheel size".

The main search results area shows "You searched for 'K003781'". Below this, there is a summary bar indicating "1 Item(s) Found", "View 30 or 90 Item(s)", and "Sort by: Part Number Asc".

The search result for "K003781" is displayed. It includes an image of the part, the part number "K003781", the title "SN7185RC Caliper - Rationalized", and the note "Saleable to the IAM". The price information shows a "List Price" of "752.00 EUR" and a "Core Charge" of "175.00 EUR". There is a "Check Availability" button and an "Add to Cart" button. The part number "K003781" is highlighted with a red box, and the text "IAM p/n: K003781" is also highlighted with a red box.

At the bottom of the search results area, it says "Showing 1 - 1 of 1 results".

- Log in to your account (optional)
- type a part number or title in the search bar and then press enter on the keyboard
- When you see your search results, go to the IAM part number of the product

How to search for a repair kit 2/2
