

How to check availability 1/2

The screenshot shows the TRUCKSERVICES website interface. At the top left is the TRUCKSERVICES logo. To its right is a search bar with the placeholder text "Enter a part number, type number or a title". Below the search bar is a navigation menu with links: SPECIAL & AUXILIARY TOOLS, DOWNLOADS, SERVICE & SUPPORT, EXPERT NETWORK, and FAQ. On the right side of the header, there are icons for "QUICK ORDER" and a shopping cart. Below the navigation menu, a product card is displayed for part K003806. The product name is "SN7214RC Caliper - Rationalized Saleable to the IAM". To the right of the product name, it says "IAM p/n: K003806". Below the product name, there are links for "List Price", "Net Price", and "Core Charge". At the bottom left of the product card, there is a "Compare" checkbox. On the right side of the product card, there are two buttons: "Check Availability" and "Add to Cart".

- Log in to your user account → Go to “My account” → Enter the desired part number or the title of the part
- Then click on the items you want to check → "Check availability".

The screenshot shows a "Check Availability" dialog box. It has a title bar with a close button (X). Inside the dialog, there are two input fields: "ORDER TYPE" and "QUANTITY". The "ORDER TYPE" field has a dropdown menu open, showing three options: "VOR", "STOCK", and "PACKAGE SHIPMENT". The "QUANTITY" field contains the number "1". Below the input fields, there is a "Check Availability" button. The text "available for VOR order" is visible below the "STOCK" and "PACKAGE SHIPMENT" options in the dropdown menu.

- Select the order type
- Then press "Check availability"

How to check availability 2/2

Check Availability ✕

K003806 is available

QUANTITY	ESTIMATED DELIVERY DATE
1	06.09.2021
